

Dear Members, Students, and friends,

As some of you may be aware, ASME Singapore Section is 30 years old this year. We've come a long way since 1990 and after a challenging 2020, we'd like to close the year with a celebration to mark this huge milestone.

We invite you all to celebrate with us—

YOU, our members

YOU, the awesome students who are preparing yourselves to be in the workforce someday;

YOU, the ones we are working side by side with, today;

YOU, our old friends and colleagues who have been with us and built this society to what it is today; and your family members.

It will be a Zoom meeting, and we will be delivering food to everyone who will be joining us on this special day.
