

This year, ASME-NUS is collaborating with ASME-NTU and HDB Building Research Institute in organizing the Student Design Competition named "Cool Ideas for better HDB living 2011/2012". Students from NUS, NTU, SUTD and SIT are invited to participate in this one day event where they are expected to give a formal presentation on improving HDB living conditions. More details can be found on our website: <http://www.asme-nus.org/> and on facebook: <http://www.facebook.com/event.php?eid=295158087162734>
